

**MGIC**

# **INELIGIBLE**

## PROJECTS LIST

---

**July 2017**

## **ELIGIBILITY NOTE:**

MGIC's project eligibility is based on a number of factors, including but not limited to, our exposure and loan performance in each project. The condominium and cooperative housing projects listed on the following pages are not currently eligible for mortgage insurance by MGIC. Loans in other projects are eligible for insurance provided the project meets MGIC's condominium and cooperative project underwriting guidelines. Note that project eligibility is subject to change from time to time. Please contact your local MGIC Underwriting Service Center for additional information on individual project eligibility.

Classification of a project as eligible or ineligible is a matter of judgment and should not be considered a determination of quality, value or suitability of the projects for lenders, borrowers or other interested persons.
