

This summary highlights our most common loan programs. It does not replace our Underwriting Guide, which contains definitions and full details (mgic.com/uwguide).

We do not approve loans for mortgage insurance based solely on a response obtained from Agency automated underwriting systems (Agency AUS), Fannie Mae's Desktop Underwriter® (DU®) and Freddie Mac's Loan Product Advisor®.

We allow certain efficiencies for loans that have a valid DU or Loan Product Advisor response.

MGIC Go! streamlines MI for:

- Loans with a valid DU Approve/Eligible or Loan Product Advisor Accept/Eligible response
- Loans with a valid DU Approve/Ineligible or Loan Product Advisor Accept/Ineligible response due to LTV or loan type

These loans must meet requirements stated in our Underwriting Guide (UWG), Section 1 All Loans and Section 2 MGIC Go! Loans.

Follow Findings/Feedback requirements for:

- Documentation
- Tradelines, credit history
- Borrower contribution, including gift funds
- Reserves
- Other criteria

Apply applicable MGIC Go! overlays (pages 2 and 3 in this document); otherwise, refer to the respective Agency seller guide for requirements not provided in the Findings/Feedback.

Requirements for Standard Loans apply to:

- All other loans with a valid DU Approve/Ineligible or Loan Product Advisor Accept/Ineligible response
- Loans not processed through an Agency AUS

These loans must meet requirements stated in All Loans (UWG Section 1) and Standard Loans (UWG Section 3).

For Standard Loans with a valid DU Approve or Loan Product Advisor Accept response, follow the respective Agency AUS documentation requirements for employment, income and assets.
