

**You're not
sure what to
do about that
fixer-upper**

**And then
it hits you**

**We insure
Fannie Mae
HomeStyle®
Renovation
mortgages**

MGIC

Some dream homes require work. HomeStyle® Renovation mortgages are a cost-effective, flexible way to renovate or repair a home using a first mortgage rather than a second mortgage or home equity line of credit.

In this market where housing supplies are tight, this program can make a tremendous difference for borrowers. MGIC is proud to insure them.

For more details on HomeStyle® Renovation mortgage, visit www.fanniemae.com/singlefamily/homestyle-renovation

**To learn how else we can help you make more dreams possible,
