### Borrower-paid premiums

Borrowers pay premiums as part of their monthly mortgage payment.

### Monthly premiums

No premium is due at closing. Billing is deferred until the first full month after closing. **The premium tables (on reverse) provide annualized rates. To determine the monthly premium:**

$$\frac{\text{Premium rate} \times \text{Loan amount}}{12} = \text{Annual premium}$$

$$\frac{\text{Annual premium}}{12} = \text{Monthly premium}$$

(Round to the nearest cent)

### Renewals

**Constant renewals** apply the rate to the original insured loan balance. The rate for years 2 through 10 is the same as the first-year rate. For years 11 through term, the premium rate is reduced to .20% or remains the same if the rate before this reduction is less than .20%.

**Declining renewal** rates are applied to the outstanding insured loan balance. The rate for years 2 through term is the same as the first-year rate. The loan balance is adjusted annually on the certificate's anniversary date.

### Refunds

We don't provide refunds on non-refundable Borrower-Paid Monthly Premiums unless coverage is cancelled or terminated under the Homeowners Protection Act of 1998. In this case, we'll provide a refund based on our unearned premium calculation.

If you opt for refundable Borrower-Paid Monthly Premiums (see the Adjustments table on reverse), we will provide a prorated refund upon cancellation of coverage. See [mgic.com/rates](http://mgic.com/rates) > Premium refunds.

### Loan program categories

**Fixed** applies to loans with level or declining payments for the first 5 years and no potential for negative amortization. For loans with a temporary buydown, use fixed premiums if the permanent payment terms of the mortgage note meet our fixed criteria.

**Nonfixed** applies to loans with actual or potential payment changes during the first 5 years.

**≤ 25-year rates** apply to loans with an amortization period of 25 or fewer years.

Lowest credit score tier pricing applies when no borrower has a valid credit score, including borrowers with no credit score.
