

MGIC Go! Streamlined MI for Housing Finance Agencies (HFAs)

For properties in Guam and Puerto Rico, see their respective underwriting summaries at mgic.com/guides.

We allow certain efficiencies for loans that have a valid DU or Loan Product Advisor response. See Section 2 of our Underwriting Guide for more detail, mgic.com/uwguide.

Exclusively for loans:

- Originated and closed as part of an HFA first mortgage program
 - Enter MGIC Program #2881 (state HFAs) and #3881 (local HFAs)
- With a valid Agency AUS response of DU Approve/Eligible or Loan Product Advisor Accept/Eligible

Follow Findings/Feedback requirements for:

- Documentation
- Tradelines, credit history
- Borrower contribution, including gift funds
- Reserves
- Other criteria

Apply the following MGIC Go! overlays; otherwise, refer to the respective Agency selling guide for requirements not provided in the Findings/Feedback.

We do not approve loans for mortgage insurance based solely on a response obtained from Agency automated underwriting systems, Fannie Mae's Desktop Underwriter (DU) and Freddie Mac's Loan Product Advisor.
