Program ID #4881

Community Pro™ is part of the MGIC Portfolio Playbook™ family. For more information about additional Playbook products, contact your MGIC representative or go to mgic.com/playbook.

Our Community Lending program is exclusively for loans originated and closed as part of a community lending first-mortgage program. A community lending program is one that employs income limits, geographic targeting (regardless of income) or both in order to concentrate lending activity on under-served borrowers and communities.

Underwriting and documentation requirements are specific to MGIC mortgage insurance.

Throughout this document, we will refer you to supporting information in our Underwriting Guide. For example, (UWG 3.06) means you will find related information in Section 3, subsection 6, of the Guide. See our Underwriting Guide at mgic.com/uwguide.

Loans must meet requirements stated below and in our Underwriting Guide Section 1 and Section 3. Where indicated in the Guide, you may follow standard Agency guidelines and Agency selling guide documentation requirements (UWG 1.03.03), along with any specified MGIC guidelines and requirements. Consult your internal staff regarding regulatory and compliance requirements.

Changes to guidelines found in the previous version of this document are highlighted in purple.
