

Stretch beyond GSE second home loan limits

Help more borrowers fall in love all over again with MGIC Second Home Guidelines.

When your borrowers are looking for their second home, they want to find something they'll love just as much as their first. Match more borrowers to the second home of their dreams with loans that go beyond Agency limits.

We insure second homes with a maximum loan amount up to \$850,000 on both attached and detached, as well as eligible condos and co-ops.
