MGIC

Tips, tools and stories for homebuyers in all stages of the journey

Unlike most birds, people aren't just born with the knowledge they need to find a nest. Readynest breaks down the homebuying process in plain English and backs up the facts with true stories that bring it all to life.

So if you're thinking about buying a home, get ready to spread your wings with readynest.com. It's packed with tips, tools and information, including:

- An overview of the **key steps to buying a house**, broken into bite-size topics
- A chance to test your knowledge with MGIC's free **Homebuyer Education Test**
- **Calculators, checklists and planners** to help you understand your options and make decisions
- **Stories and videos** from real homebuyers and homeowners
- An easy-to-understand **homebuying glossary**
- **Fun stuff** like infographics and home decor tips

The birds behind the words

Readynest was created by a team of long-time homeowners, new homeowners and renters with aspirations of homeownership. Their stories are often funny, sometimes strange and always driven by research and personal experience.
